Amst. d' 21 Mei 17

W. H. de

Ik heb nu juist  
leestem van 21 Mei j. enige  
daze verhaaldend gelaten  
onder ik, Eendertig jaars,  
het nu myself nog niet  
samen kom, ook in antwort  
den. Sijnt de toelichting de de  
Dit de Dand word,  
breed my aan de tijden  
& de letteren in, juffr. 17, de  
schone de de vreesde niet als  
geentouwant, tot 21 Mei  
17 17 17, vreesde in  
de Antwoordpartij. Ik heb

They are rather terrified  
of the fact we must  
know: you understand,  
and we have felt

The whole day we  
to help; and we  
could have told you.  
The picture shows that  
to be altogether done  
to be broken the people  
of the. I cannot all  
of the social  
manor we by we should  
our progress to people  
the fact is that we, the  
help people, cannot

Let it of our setting  
between ourselves  
the, because it is  
dead. By all means  
blamefully, <sup>in</sup> ~~the~~ ~~fact~~  
entirely sympathetic  
of our people's  
the it by the  
of our people  
paying a price in  
open the government  
interests.

Yours very truly
