Mr. Jacobs,

Dear Madam,

On reading your article “Keeping the Work in His Place” I wondered if I would write to you if you would give me any information on the matter of birth control.
Dear lady,

Mrs. Jane of Momo

Peter of Momo

Very truly yours,

W. A. B. 

Since the title of my child I have had miserable health and you know what it means to repeat it. If I can get or buy the information it will be greatly appreciated.
