Dear Rosa,

I know you have a book containing all kinds of dates of living celebrities in the suffrage movement... I wonder if you would oblige the headquarters very much by letting us have a list of all the dates you know? We want to use them for the diary which we are starting in the June number of Jus Suffragii.

I hope you are better since you are in Switzerland, and that we will have the advantage of your help in the international work very soon again.

With best wishes and cordial greetings,

Yours very sincerely,

Belle Claire van

Joëlle Schwimmer

Ich möchte vorschlagen, dass ein Frauenstimmenberichtszentrum
eröffnet wird, und ich würde sichern, dass
Sie es als äußerst wichtig ansiehen. Would you like to do that?
